Dear Tony,

Inspired by the very professional manner with which our home at 11006 3rd Line, Alnwick, was successfully marketed by the friendly, competent and positive attitude of the members of your "team" during the purchase of our home in Cobourg; we want to thank you for a job well done!

We hadn't bought or sold a house for a while so we trusted Tony Pulla to do his best for us. We found him willing to answer our questions, explain anything that we needed explained and just plain hard working.

We were really excited when Tony found us our dream house on Rice Lake. Tony explained everything to us and laid out how he would market our home for sale. The Pulla Team did a nice colour brochure and kept us informed on anything to do with both transactions. If you want to feel secure when buying or selling a home, we recommend The Pulla Team.

The Stickwoods

During the listing interview Tony was well prepared, very informative and helpful. He reviewed current market trends and their impact on local property values. In short Tony took the time to explain all our options and outlined a strategy that would make it possible for us to get what we wanted for our property.

Our house was sold in 5 days and we're ecstatic!

To Whom it may Concern:

“Whatever it takes”, those words define Tony Pulla and when you hire him to sell your house, it's how he delivers on his promises.

Our property was sold within our time frame and we got the price we wanted. If there is a way to sell your property, Tony Pulla will do whatever it takes to make it happen.

The Trotters

When we bought this house from Tony Pulla, he assured us that if we ever wanted to sell it, our equity would be safe-guarded. He was right! Having decided that we wanted to live closer to family, we looked forward to a quick move. Tony sold our house in 7 days and we got our price.

We are very pleased with Tony and his assistants and gladly recommend them.

“Always give people more than they expect.”

This attitude enabled Tony Pulla to fast-track the whole selling process. He sold our house in 22 days.

If you're thinking of selling your home, hire Tony Pulla. You'll get all you expect and then some!

The MacGregors

It's true! “Pulla's salesmanship is simply top-notch.”

Although our house had been listed for months with another company we received no offers. Tony Pulla came highly recommended. So, we decided to switch agent and company. The buyer was found, our house was sold and we got exactly what we wanted for it. If you want to sell your house, hire Tony Pulla and start packing.

A few weeks ago, Tony Pulla phoned us to say he had a buyer for our home and asked if we would be interested in selling it. The next day they came through for a look and within a few hours Tony presented us with a great offer to purchase.

We're very pleased he phoned us and recommend him as a real estate salesman whose actions create positive results.

The Trowells

Dear Tony,

As usual you've kept your promises. When you listed our house you said that everything possible would be done to affect a quick sale ... the house sold in **ONLY 3 WEEKS!**

You also promised to make the whole process a pleasant and rewarding experience ... it was!

Thank you for a job well done!

Yours truly, The Mercers
